BNI MA 15th Anniversary Conference

It's not everyday that we get to meet so many notable networkers under one roof. On April 15, 2010 the Crowne Plaza Hotel in Natick was witness to just that. Starting from our Founder and Chairman Dr. Ivan Misner to Executive Directors and speakers from all over the country shared ideas through their educational workshops.

The Conference was a great success with members taking home many new ideas on how to become a successful networker! "Your event made an impression on me and I am looking forward to future events" says Susan Russo of BNI 495 Business Builders. Steve Tannuzzo of BNI Metrowest Networkers adds, "The event was amazing! Best thing that BNI has ever done." "Great event. Having joined BNI 3 years ago, it was the best move I made having been in radio for 28 years! It gives me the opportunity to grow my business to the next level." says **Guy Ferrante of BNI Westboro.**
