2009 Membership Extravaganza Winners

This past month BNI Mass sent four winners to the Bahamas for their efforts this past April and May in the Annual Membership Extravaganza. Steve DiOrio of BNI Revolutionaries, Michael Ameen of BNI Merrimack Valley together with Debbie Chase and Tony Rocha - Assistant Directors of BNI Mass were pulled in a drawing from chapters that had sponsored 6 or more members into their chapter. They joined several others from around the country, along with Dr. Ivan Misner for 4 days of networking and relationship building. Here is what Steve DiOrio says about the trip, "The BNI membership extravaganza was a fantastic experience. My wife Lisa and I networked with BNI-ers from all over the country; we made connections and developed friendships that will last for many years. The seminar with Dr. Misner was enlightening. Networking, learning, lounging, I couldn't have asked for a better trip. Thanks Patti!"

Givers Gain in Action - BNI Route 62 Business Partners

Members of BNI Route 62 Business Partners not only do one on ones to get to know each other, they know the true meaning of a dance card. Members of this group gave their time and money to dance in the event Dancing with the Realtors - a fundraiser created by Linda Covino, a member of this Chapter three years ago. Now in its 3rd season and statewide - Dancing with the Realtors has raised \$131,000 for Habitat for Humanity

A big thank you to the guys who really stepped out of their comfort level to perform. They

trained for 10 weeks to dance in their local show that was held October 8 in Burlington.

Important Message for Chapters Regarding the H1N1 Virus

Here are recommendations about the H1N1 virus by the *World Health Organization* and the *Centers for Disease Control*. Please share one or all of these documents with your members. We recommend that Chapters take the appropriate advice given by these organizations to help avoid the spread of the H1N1 virus at BNI meetings and events.
