BNI Success Stories

Dr. Misner wants to ask listeners "What's your BNI story?" His own favorite story is that he met his wife through BNI; that was the best referral he ever got. Here are some success stories from our very own region!

Ronald Rice of BNI Financial District says that his business has increased 80% since he joined BNI.

For David West of Gold Coast Connection BNI referrals have generated about \$400k for his remodeling/cabinet business

Lee Estridge of BNI Cachet Club shares that 50% of her business revenues have been generated from BNI resulting in \$600,000.00 over the past 10 years

What's your BNI story? How has BNI helped you? Send us your name, profession, name of business, and how long you have been a member. Since we are a Business Referral Organization, prospective members want to know how many referrals you have received that resulted in xxxxx amount in business or the percentage that your business has increased since you joined BNI. Send them to mithu@bnimass.com

This is added exposure and great visibility for your business.
