## Recognition Pins

We are excited to congratulate BNI Colonials - the Middlesex County Chapter who after kicking off on the 28th of October last year attained and maintained a new Chapter Recognition Pin Level. They will receive Bronze pins for maintaining more than 20 members in the last quarter. Recognition Pins are awarded to those Chapters that have a consistent level of members for three consecutive months in a quarter.

## Marlborough Regional Chamber of Commerce Annual Awards

Each year, the Chamber honors local businesses and professionals with awards in recognition of their accomplishments during the previous calendar year. The winners are selected from nominations made by the Chamber's membership. On March 5, 2009, the Chamber held its Annual Awards dinner. A few businesses were honored for proving during 2008 that Working Together Works Better!

Among the winners was "CPS Cooling and Heating" - recognized as the "Small Business of the Year". Phil Baldwin of BNI Marlborough received the award as the business owner. Congratulations Phil!

### Team Member of the Month

After just 4 short months at the BNI Regional Office, our Team member of the month for February goes to Lorraine.... Who helps with all our Member Events. "Lorraine took on coordinating our annual Event Coordinator Training, Chapter Visitor Days and Best Practice Training all at the same time which is quite the task", says Patti Salvucci Executive Director of BNI MA. "She has been a terrific addition to our office and we look forward to a long relationship."
